

The work of DACYM is really, really important, and for some young people it has been absolutely vital.

We need your help in order to continue our really important work in the Darlington area with all the young people we want to work with.

We are looking for new monthly partners to financially support the work of DACYM. This regular gift will help provide the solid foundation we need to both sustain and grow our crucial work. By becoming a monthly partner, your small gift can make a big impact – so help us to make a real difference to the lives of young people.

DACYM undertake outstanding work across the Darlington area. They are gifted in working directly with young people whether in a school, community or church setting. They are also excellent trainers of others. They operate to the highest standards as a thoughtful Christian ministry.
